

## **RADIOLOGY TECHNOLOGIST/ SCRUB TECHNICIAN**

### **COMPANY OVERVIEW**

Michigan Kidney Consultants (MKC), P.C. is Southeast Michigan's largest board-certified nephrology group. Our physicians and nurse practitioners are dedicated to providing the latest, most advanced diagnostics and treatments available for kidney disease and end-stage renal failure. MKC offers appointments in eight locations in greater Detroit, Michigan, including Troy, Royal Oak, Southfield, Novi, Pontiac, Clarkston, Rochester Hills and Sterling Heights.

All of our physicians are board certified in the sub-specialty of nephrology as well as internal medicine. A nephrologist is a physician who has been educated and trained in kidney disease, kidney transplantation, and dialysis therapy.

### **POSITION OVERVIEW**

The Radiology Technologist/Scrub Tech is responsible for performing diagnostic imaging examinations and ensuring high-quality imaging while prioritizing patient care and safety.
